

WCHSA Admissions Policy for Basketball Home Games

The organization will be charging for admission at all home basketball games. The pricing will be set by the board and collected by volunteers from all attendees.

Players and coaches will not be charged.

WCHSA families will be able to purchase a family season pass. Please be sure to bring the pass to all games to keep the process as simple as possible for the volunteers at the admissions area.

Families of WCHSA athletes can also earn a season pass for volunteering throughout the season. The positions of coach, scheduler, and team manager include a family season pass. Also, High School parents can sign up for 8 volunteer roles (3 for Grade School) throughout the season and receive a season pass for the entire family. The following roles need to be filled for each game:

Scoreboard operator

Official game scorebook keeper

Team scorebook keeper

Concession table

Admissions table

Facilities coordinator

If all of these roles are filled, additional volunteer opportunities will be opened. The website coordinator will provide the passes to the volunteer coordinator to distribute once families sign up for these spots.

“It is our aim to display the Glory of God through organized sports.”
