

# **WCHSA Admissions Policy for Basketball Home Games**

2021-2022 Season

---

The organization will be charging for admission at all home basketball games. The pricing will be set by the board and collected by volunteers from all attendees. All participants must adhere to facility Covid-19 precautions. Anyone who has a fever (temperature > 100.4) should not attend the sporting event.

Players and coaching staff will not be charged.

WCHSA families will be able to purchase a family season pass. Please be sure to bring the pass to all games to keep the process as simple as possible for the volunteers at the admissions area.

Families of WCHSA athletes can also earn a season pass for volunteering throughout the season. The positions of coach; team manager; game scheduler; and concessions, fundraising, and website coordinator include a family season pass. Also, High School parents can sign up for 8 volunteer roles (5 for Grade School) throughout the season and receive a season pass for the entire family. The following roles need to be filled for each game:

Scoreboard operator (1)

Official game scorebook keeper (1)

Concession table (2)

Admissions table (2)

Facilities coordinator (1)

The platform app, Signup Genius, will be used to reserve your volunteer position. If all of these roles are filled, additional volunteer opportunities will be opened. The website coordinator will provide the passes and distribute them once families sign up for these potential volunteer spots.

***“It is our aim to display the Glory of God through organized sports.”***
